35. James M. Lambert, in the absence of John Wesley, moved the adoption of the report on Public Morals found in the booklet of report. Following the second by Mr. Gentry, the motion was approved. Mr. Lambert spoke briefly about some of the items contained in the report. Mrs. Ryland Wilburn expressed gratitude to those voting against beer and wine.

36. D. C. Craig extended welcome to the Association in behalf of the Mount Harmony Church and made several announcements.

37. Mr. Elliott presented the report of the Missions Committee and moved its adoption. Mr. Cumbee gave the motion its second and it was approved. Mr. Elliott spoke to the report, making an appeal for better financial support, and called attention to the increasing need for trained and experienced workers.

38. The report of the work of the W. M. U. was presented by Mrs. B. E. Berry. She moved the adoption of her report and, after receiving a second by Mr. Gentry, the report was approved. Mrs. Berry praised the work that has been done, but pointed out the need for much more work. She urged the women to take an increased interest in the missionary work of the churches.

39. The report on State, Home, and Foreign Missions was prepared by Mrs. S. O. Garrett, who was unable to be present. In her absence, the Clerk moved the adoption of her report. The report was approved after Mr. Elliott's second.

40. The Associational Missionary, Hassell Lamm, was confined to his home because of sickness and was unable to present his report. The Clerk moved its adoption, Mr. Cumbee gave the second, and it was approved by the Association. Mr. Cumbee spoke to the report.

41. The following matters of business were presented.

(1) Mr. Elliott moved that the Constitution presented at the previous session (Item 10) be adopted and the old Constitution be discarded. After receiving the second by Mr. Tillman, the motion carried.

(2) The Association's representative to the General Board, Ray. L. Cumbee, asked that the Association express its feelings concerning the matter of on-campus dancing at Wake Forest and Meredith in order that he might know how the Association would have him vote in a General Board meeting October 31. Mr. Cumbee gave the background of the issue, saying that the General Board had asked the Trustees to recind their action and they refused. Another session, mentioned above, is planned to discuss the matter with the Trustees of the Colleges.

Ottis Hagler, Associate in the Department of Promotion, asked for the privilege of the floor. He explained the action of calling a meeting of the Board on October 31. The policy of the Convention was stated in 1937 and according to the Constitution, this policy is not changeable without prior consultation with the Convention or its General Board. The College Trustees are acting out of Harmony with this policy.

H. L. Hancock spoke pleading for prayer and understanding, but

not compromise. His conviction was that he could not support on-campus dancing.

Miss Ella Thompson expressed herself as definitely opposed to the action of the Trustees.

Charles O. Jenkins made the motion that the Beulah Baptist Association go on record against dancing on the campuses of our Baptist colleges, and that the General Board representative be instructed to act accordingly. This motion received a second by P. E. Chisenhall.

Mr. Elliott offered a substitute motion. The motion: "That we instruct the representative to vote to ask the Trustees to stay in line with the policy of the Baptist State Convention until that policy is changed". The second was given by Mr. Cannady.

A period of discussion followed. Mr. Elliott pointed out that his substitute motion does not infer compromise, but simply asks the Trustees to return to the stated policy. Mr. Jenkins disagreed, stating that the Association ought to take a definite stand. Mr. Tom Williams asked if the Trustees would ask the General Board to bring the matter before the Convention. Mr. Hagler replied that there was no disposition to change the policy, but to give the Convention the opportunity to re-state its policy.

Dwight Early called attention to the fact that the Association must give the instructions Mr. Cumbee asked for. Mr. Jenkins stated that that was the purpose of his original motion.

Mr. Elliott withdrew his substitute motion, and the original motion made by Mr. Jenkins carried. Mr. Elliott offered a new motion, stating that he was unalterably opposed to dancing, that the Trustees had made the error in departing from the expressed policy of the Convention The motion was stated: 'That we go on record as approving the policy of the Baptist State Convention as of 1937 with regards to moral problems. That if and when the mind of North Carolina Baptists change, we shall have open minds and hearts in the spirit of Christ to cooperate". Mr. Hancock offered the second. Mr. Elliott pointed out that this motion did not change the position of the representative to the General Board. This motion also carried.

Mr. Cumbee expressed his thanks to the Association for its vote of confidence. He suggested, and later made the motion, that a copy of these proceedings be sent to the General Secretary, Chairman of the General Board, Chairmen of the respective Boards of Trustees of Wake Forest and Meredith, and to the Editor of the Biblical Recorder. Following a second by Mr. Early, this motion carried. (The Clerk has informed each of the above of the proceedings of the Association concerning this issue.)

(3) Mr. Early made the motion, seconded by Mr. Gentry, that the Association send official greetings to the Missionary, Mr. Lamm, who was ill.

42. Mr. Gentry led in the singing of "Tell Me the Old, Old Story."

Mr. Craig spoke briefly about Training Union as an opportunity to worship God and to train more workers in the service of the Lord. He offered his services to those interested in starting Training Unions in the local churches.

49. The Brotherhood had no report to offer. J. D. Coggin announced that there would be a R. A. conference at the W. M. U. leadership Conference at Bethel Hill, October 31, 1957.

50. Mr. Cumbee moved the adoption of the Vacation Bible School report. The motion received second by Mr. Elliott and was approved by the Association.

second day of the Annual Meeting as well as the first day, such sermon to be doctrinal in content.

(3) The report of the Committee on Committees was made by Mr. Kesterson. Mr. Elliott suggested that the church affiliation of the committee member be added to the directory. Mr. Kesterson moved the adoption of his report and the motion received a second by W. S. Tillman and was carried. (These committees are listed in the Associational Directory).

(4) Mr. Kesterson made the motion that the Association express its gratitude to the Danville Kiwanis Club for permitting the use of Park Springs for the Associational R. A. and G. A. camps. Mr. Cumbee seconded the motion and it was carried.

## ASSOCIATIONAL REPORTS FOR 1957

### MISSIONS COMMITTEE

Let it be said at the outset that the missions committee has not been very active during this associational year due primarily to the negligence of the chairman. The committee had only one meeting, and that was on September 24 at Yanceyville. This was a joint meeting with the finance committee for the purpose of discussing and drafting a proposed budget for next year.

Even though there has been little visible results of the work of this committee, we have been deeply concerned about the total program. The chairman has worked very closely with the missionary in numerous conferences regarding the promotion of the total program of the association. From these conferences, based on observation and experience, at least two conclusions have emerged and have crystalized into convictions. One is the need of better and more systematic finan-

cial support of the total program. The other is the pressing need of more trained and dedicated leadership.

While the financial responsibility rests upon the finance committee, the missions committee shares the interest and concern in this matter. Many phases of the work need to expand in keeping with vision and growing needs. It is a truism that these needs wait on more funds from the member churches. This very fact poses another problem. While the operating budget increases, the monthly payments on the missionary's home will be overlooked. This we must not do.

We have no recommendations to make in this report.

Respectfully submitted,

L. G. Elliott

## REPORT ON CHRISTIAN EDUCATION

"It was a successful year, one of the best the College has experienced in its total 123 years of dedicated history. The emphasis upon Christian principles, the elevation of Christian ideals, the exercise of Christian approaches to all of the life of the college found multiple evidences among the administration, faculty, and students. There was a spirit of understanding, cooperation, and cordially wholly concerned with doing the best possible educational job, all in an atmosphere of devoted Christian faith. The Baptists of North Carolina have every right to be proud of Wake Forest College and its place in the life of the denomination."

The above paragraph was written recently about the New Wake Forest College in Winston Salem, but I believe it can be applied to all our North Carolina Baptist colleges. Meredith, the other senior college; Campbell, Chowan, Gardner-Webb, Mars Hill, and Wingate, our five junior colleges; plus the Baptist Hospital School of Nursing and Bowman Gray School of Medicine were also built to serve the young men and women of our day in a very special way as they continue to receive advanced education in a Christian atmosphere.

College students of today also require another ministry besides that of the "class room". This ministry is a guide for them, linking them from the college campus to the local college church.. It is called the Baptist Student Union. It serves 4,000 students at the above named colleges as well as the Baptist who are studying on other campuses. The BSU work has been supported by North Carolina Baptists for more than 25 years and the seed has not fallen on barren grounds.

From these colleges and BSU come most of our pastors, missionaries, and leaders in our denominational work. We must continue to support them with our whole being . . . that the children of future generations, to, might receive a Christian education.

Respectfully submitted,

Mrs. Robert Andrews

## REPORT ON ALLIED CHURCH LEAGUE

Christian people are usually interested in what the Bible has to say about a question. Let's see what it says about the one concerning alcoholism and public morals. Read, therefore, the following: Proverbs 20:1, strong drink will lead one astray; Proverbs 23: 29-35, alcoholic delirium; Isaiah 28:7, spiritual blindness and uncleanness; Isaiah 5:11, 12, woe to drinkers; Habakkuk 2:15, solemn warning to those who cause others to drink; I Cor. 6:10, Paul says drinkers are bad company.

During the year the Allied Church League, Incorporated, had as its main issue the state-wide referendum. Nearly 300,000 citizens signed petitions asking the legislature for a referendum. These petitions we duly presented to the Committee on Propositions and Grievances along with a referendum bill introduced by Representative Sidney Britt of Bladen County. It is well known that this petition failed to gain the referendum legislation.

In addition to the above matters the committee has taken advantage of every opportunity to foster alcohol education in the schools and churches of this state.

The committee readily recommends that each church take a firm stand in battle against this demoralizing influence in our Christian society by deed and preaching.

Respectfully submitted,
G. C. Duncan

## REPORT OF COMMITTEE ON PUBLIC MORALS

The alcohol problem has grown to be America's number one problem. 10,900 Americans will lose their lives this year in traffic accidents. Alcoholism is now 155 times more prevalent than polio according to a comparison of figures supplied by major national health authorities. The figures are as follows: Cancer, 740,000; tuberculosis, 400,000; polio, 29,270; alcoholism, 4,589,000.

This means that there are six times as many alcoholics as there are cancer patients in the United States, and there are eleven times as many alcoholics as there are active cases of tuberculosis. It means that for every American hit by polio last year there were 155 victims of alcoholism.

We don't have to go to New York or Paris to find a liquor problem; we can find it in our own state of North Carolina and in our state capital. Nine cases of liquor were unloaded on May 28, 1957 at the Sir Walter Hotel to be given to North Carolina law-makers.

Respectfully submitted,
John Wesley

## REPORT ON THE AMERICAN BIBLE SOCIETY

In this World Missions Year for Southern Baptists, we are happy that the Society has translated the Bible into 1109 tongues. In every missionary advance, the Bible goes forward first! Southern Baptists recognize the American Bible Society as an essential part of their own worldwide mission program. Southern Baptist missionaries depend on the Bible Society for the Scriptures they need for distribution to their

people. The Society provides the Word of God in many languages without profit and usually below cost. It distributed oved 15 million volumes in 1956. Your Bible Society serves every form of Southern Baptist work at home and abroad. In 1956 Southern Baptists gave $120,732 to the American Bible Society, but still stood in second place, exceeded by Methodist gifts of $174,447.

For the blind it supplies the Scripture in raised letter systems and on Talking Book records. The Bible Society serves every form of Southern Baptist mission work around the world.

Please send gifts to the Baptist State Convention office marked for the American Bible Society. Remember to read, heed, and obey the Bible.

Respectfully submitted,
T. C. Williams, Jr.

## SUNDAY SCHOOL REPORT

As Sunday Schools grow our churches grow. There has been some growth in our Sunday Schools this past year.

Our Associational Sunday School promoted six planning meetings for the officers of the Associational Sunday School and five general meetings.

A Vacation Bible School Clinic was held in April. There were thirty-one Vacation Bible Schools in the Association.

There were 266 training awards given through August 21, 1957. Six churches participated in training. This is one of our weak points. We need to train our workers.

Our planned program of work for 1957-58 includes six general meetings. These meetings will be in keeping with our denominational Sunday School program. We challenge our Sunday Schools to grow in three areas of service this next year:

1. To enlist more people in Bible study.
2. To have more effective Bible teaching.
3. To win, develop and enlist more people.

Respectfully submitted,
Paul Kesterson, Superintendent

## REPORT ON VACATION BIBLE SCHOOLS

Your Associate Superintendent wishes to report that Beulah Association held thirty-one Vacation Bible Schools out of a possible total of thirty-three. Two churches, Lamberth Hill and Shiloh, either did not have a school or did not report one. This is a percentage of 94.

There was an upswing in number of days per school with several schools having ten days. There was an improvement in length of hours with several schools reporting three hours a day. The grades of the various schools are higher than last year. Two schools, Providence (C) and Longhurst, reported standard or 1000 per cent schools.

Beulah should be reporting a school in every church. Let us determine that this shall be the case in 1958. In addition to a school in every church let us seek to hold a mission or negro school in 1958.

Respectfully submitted,
Ray L. Cumbee, Assoc. Supt.
Vacation Bible Schools

## TRAINING UNION REPORT

Due to the fact that the Reverend W. I. Johnson, our Associational Training Union Director for the past year, left our Association some months ago our program has not been fully completed. However, we are indeed grateful to Mr. Johnson for the fine job he did as our Director.

Training Union "M" Night was held December 3, 1956 at the Theresa Church. There were fifteen churches represented with an attendance of 187. The program consisted of the following: "Our Program of Service for 1957" by the Rev. Hassell Lamm, our Missionary; "Our Goal in Service for 1957" by the Rev. W. I. Johnson; and a closing message, "Serving the Lord Christ", by the Rev. Hugh Ross Williams.

The Elimination Contest was held March 12, 1957 at the Ca-Vel Church. Eight churches were represented with 155 people present. Great interest was shown in this meeting. At this meeting Rev. L. G. Elliott brought a very fine closing message.

There were three Training Union Executive Committee meetings during the year. Two leadership conferences were held, one at the Longhurst Church, the other at the Ca-Vel Church.

Through the State Headquarters this year eleven churches requested 513 Study Course awards.

We now have fourteen Training Unions in our Association with more than 900 enrolled. This is only the beginning in the Training Union work in our Association. A great deal of work is yet to be done. No church needs to be dark on Sunday night, for all of them can and should have Training Union. In an Associational Training Union organization with a Training Union in each of our churches lies a great opportunity for the future. It is the equipment with which we can better train our people to be good stewards of the manifold grace of our Lord.

Respectfully submitted,

D. C. Craig

## REPORT ON EVANGELISM

Following the adoption by the State Baptist Convention, meeting in Winston Salem in Nov. 1956, of a four point resolution which states: 1. A Simultaneous Crusade in every Association every year, 2. A clinic on evangelism in every Association, 3. A council of evangelism in every church, and 4. An increase in baptisms throughout the State Convention of 10%, we, the Beulah Baptist Association, meeting in Executive Committee January 4, 1957 resolved to put into action the above resolution.

On January 25, 1957 a Clinic on Evangelism was held at the Roxboro Church with the pastors of the Association meeting with the State Secretary of Evangelism, Mr. Julian Hopkins. In this meeting all the aspects of evangelism were discussed and suggestions were made as to the most proficient methods of carrying on an Evangelistic Crusade. Following this, a fellowship supper was held in the fellow-

ship room. At 7:30 p. m. a mass meeting was held in the auditorium of the Roxboro Church and a very appropriate message was delivered by Brother Hopkins.

Following this clinic the Steering Committee of the Association was organized and their duties outlined. When a canvass of the churches was taken to see the number that would cooperate with this evangelistic effort only about half of the thirty-three would commit themselves. It was decided that a half-hearted effort would do immeasurable damage to the proposed South-wide effort being planned for 1959. Therefore, any Associational Evangelistic Crusade was postponed until 1958 in order to prepare for the Convention wide effort in 1959.

Are we at the point of impasse in this Association? Our leaders tell us that there are some 2,000,000 lost people in this state of ours, and many of them are within the boundaries of the Beulah Association. We have an obligation to them; indifference does not allay our responsibilities. We must have "bleeding hearts" for those who are outside of Jesus Christ. We must act in unison with a spirit of togetherness. Surely in 1958 we can accomplish more for our Lord than we did in 1957. Are we ready to go all the way with Christ?

Respectfully submitted,
Benjamin E. Berry, Jr.

## REPORT ON THE BAPTIST CHILDREN'S HOMES

In 1956 the Baptist Children's Homes were able to admit only one fifth of the children for whom application was made. There were a total of 813 applications. Of this number only 169 children could be admitted to some phase of our program.

Careful research by the Social Service Department, in cooperation with the Pastors who had signed the appilcations, made it possible to place many of these 644 children with relatives or other Agencies where their needs met. Many others could not be placed.

Last year we served a total of 751, an increase of 15 over the year before. Of these, 126 were supported in Foster Boarding Homes. Perhaps a conservative estimate is that Baptists of North Carolina should serve about 1,000 children annually. It is, therefore, planned to gradually expand the Foster Homes Program until we as a denomination are caring for our proportionate share of dependent children.

Another need is the Indian Orphanage at Pembroke. This Home, which cares for fifteen to twenty children, is located in the Burnt Swamp Baptist Association. Since this Home has not been and probably cannot be adequately supported by the local Association, considerable sentiment has developed among North Carolina Baptists for admitting it as a part of the Baptist Children's Homes of North Carolina, Inc. If the Convention approves the recommendation of the Board of Trustees of the Children's Homes to make the Pembroke Home a part of the Children's Homes, it will necessitate the erection of one Cottage at Pembroke at a cost of about $50,000.00 and an additional operating budget of about $20,000.00 per year.

The only possible way now for your Children's Homes to get more money to meet these challenging needs is through an increased Thanksgiving Offering in November. If every Church will increase its offering ten per cent this will give us the $20,000.00 to support the children at Pembroke. As our people go beyond this amount in their giving, we will expand the Foster Home Program and care for some of the 644

children who had to be turned away last year. Surely the Master is not pleased with His servants until they have done their best.

Respectfully submitted,
E. H. Cannady

## REPORT ON THE NORTH CAROLINA BAPTIST HOSPITAL

Our North Carolina Baptist Hospital is dedicated to the service of those in need of medical care, the education of young people in various branches of medical service, and the bearing of a Christian witness throughout North Carolina and the world.

Once more it has set a new record in its ministry to sick people. Last year it provided 123,000 days of bed care for 15,784 patients. There were 61,000 visits to the out-patient clinics and 60,000 visits to the private clinics. Service patients came from 92 of the 100 counties of our State. This represents specialized medical care in twenty-five different fields of medicine and surgery.

If a person wishes to go to the Baptist Hospital for treatment, it is necessary that an appointment be made in advance. When an appointment is requested, accurate information must be given as to the general nature of the patient's problem and whether he needs to go through the out-patient clinic, rather than as a private or full-pay patient. The out-patient department is open to persons who are not able to pay the full cost of their medical care. In cases of emergency, or the need for immediate hospitilization, a local physician should always call or write the hospital in order that he may give the medical information required before the proper arrangements can be made. If a person will not be able to pay the full cost of his hospital care when he leaves the hospital, definite financial arrangements should be made when he is admitted to the hospital and not left until later. This can prevent misunderstanding and unnecessary hardship.

It appears now that our churches of the State have made their largest Mother's Day offering this year. We are grateful for this because the needs for help have been greater than ever before. Let us share in the ministry of our Baptist Hospital by giving generously of our prayers, our love, and our money.

Respectfully submitted,
Glenn Peters

## REPORT ON THE HOMES FOR THE AGING

This, the seventh year of operation of the Baptist Homes for the Aging, has been the greatest year of expansion, thanks to our Lord for His continued direction, and the North Carolina Baptists for their increased support.

The new Administration and Residential Building was opened June 13. All rooms are now occupied, except four in the infirmary, which are reserved for residents who will need them.

The new building increased facilities to 112 residents, counting residents at the Resthaven and Albemarle Homes. It also added half

a million dollars to the assets of the Homes for the Aging.

Another forward step was taken in July when the General Board voted unanimously to accept the offer of Don G. Matthews, Sr., Hamilton, North Carolina, to give $50,000 and land on which to build a Home for the Aging in eastern Carolina. This fourth Home will probably add space for approximately forty additional residents, thus bringing the total capacity of all the Homes to 150 residents.

A total of about $85,000 has been received from the February Special Day Offering. This represents an average gift of 10c per Baptists in North Carolina.

The residents, and all connected with the Homes for the Aging, are deeply grateful for the support received in the past, and join with the Baptists of our State in thanking God for His favor and blessings year by year.

The state of health of the residents has been remarkably good, considering their ages are 65 to 97 years.

Respectfully submitted,
C. J. Blackmon

## REPORT ON STATE, HOME, AND FOREIGN MISSIONS

Since the year 1953 the reports on State, Home, and Foreign Missions has been a combined report. This overall picture of missions has a beginning. Jesus said in Acts 1:8: "But ye shall receive power after that the Holy Ghost is come upon you: and ye shall be my witnesses unto me both in Jerusalem, and in Judea, and Samaria, and unto the uttermost part of the earth."

What is State Missions? It is the missionary effort of North

Carolina Baptists to reach the unsaved for Christ, and enlist, teach and train the saved in giving, living, and serving through the churches and throughout the world. Do you know we have over 830,000 Baptist church members in North Carolina? About 40% of these are being taught and trained in Christian living, giving, and serving. Does it mean anything to you that 60% of our church constituency is NOT dedicated in the Christian profession? This is a challenge to our churches. Our State Mission Program has 22 phases of work some of which is promoted through the Sunday school, Training Union, Brotherhood, Royal Ambassadors, Church Development, and Music Departments. There were over 2,800 Vacation Bible Schools giving $50,000 to World Missions in 1957.

The North Carolina Baptist Assembly at Southport, historic old Fort Caswell and the Fruitland Camp, located atop Blue Ridge Mountains with its beautiful scenery and wonderful climate, are ideal places where our Baptist people gather for information, inspiration, training, and fellowship. Under the capable leadership of the secretaries of the various departments of our State Convention, programs are planned in which the needs of the people are the first consideration. More than 12,000 attended these assemblies this summer. Last year 180 pastors received better training at the Fruitland Institute. This summer approximately 400 pastors and their wives attended the Pastor's Conferences. The work among silent people Indians, and in cooperation with the Negro Baptist Convention and the Allied Church League shows progress.

State Missions provides a Department of Evangelism. Through this department baptisms have averaged over 8,000 each year since it was organized. Last year 32,408 baptisms were reported. With 4,300,000 people in North Carolina, and 2,000,000 of that number unchurched, the Department of Evangelism is imperative.

Your gifts to State Missions last year was encouraging. The need for increased funds in 1957 is greater. The sources whereby we can function effectively and fruitfullly in all these phases of work are: (1) Cooperative Program, $300,000; (2) Sunday School Board, $29,000; (3) Home Mission Board, $4,000; (4) Woman's Missionary Union Week of Prayer and the Sunday School offerings in the churches, $200,000; and 5) Miscellaneous income, $7 000, making a total of $540,000.

The cause of missions is an individual responsibility. If every Baptist in North Carolina will support this work prayerfully and financially the need will be met and the twenty-two ministries well provided for.

At the beginning of 1957 the Home Mission Board reported 1,180 missionaries, an increase of 81 over the year before. There were 39,458 professions of faith, an increase of 1,983.

The Home Mission Board's income was: (1) Cooperative Program, $2,027,396.87; (2) Annie Armstrong Offering, $1,574,890.61; and (3) through designated gifts, $127,761.01, making a total of $3,730,027.49.

Three additional workers have been added to the office personnel. Among the major emphasis this year has been an effort to enlist every church in an evangelistic ministry. All work of the Home Mission Board is in full cooperation with other denominational agencies. The "30 000 Program", with its challenge to constitute 10.000 new churches and 20,000 additional mission stations in 7 years, will receive major emphasis not only this year, but for the duration of the Third Jubilee of Baptists. The Board has set a goal of 1,050 missionaries serving the minority groups by 1964.

The City Missions Program is to be enlarged as rapidly as possible; the rural church program was emphasized during 1956. Work a-

mong the deaf, the Jews, migrants, and ministry to broken homes, juvenile delinguents, and to military personnel challenges the best of the missionaries. Dr . John Caylor says: "The greatest need of the Board is more volunteers for the Home Mission Board, more tithers, and a share in the consecration of every Southern Baptist".

Appointments totaling 121 during 1956, and 49 from January to May 1957, brings the number of foreign missionaries in active service to 1,154. The goal for all of 1957 is 130. Dr. Elmer S. West, Jr. says: "The most desperate need we face is the need of additional nurses, with the compelling need for five times as many more as we have prospects for appointing."

Foreign missionaries are serving in 38 countries and territories, having entered three additional countries during this past year, and eleven added mission stations brought to 211 the number of centers in which the missionaries live.

Evangelization is the untimate goal. The 2,730 churches and the 5,099 outstations report 3,864 Sunday Schools with 292,929 pupils enrolled, and 361,859 church members with 24,423 baptisms.

The medical work with unlimited opportunites for soul winning is ever present. The Board has 13 hospitals, 32 clinics, and nine dispensaries with a total of 89 buildings and 652 beds. There are 38 missionary and 37 national physicians, 52 missionary and 147 national nurses.

The El Paso publication plant supplies Baptist literature for the Spanish speaking groups all over the world. Plants on the mission fields printed 12,739,522 pieces of literature in 1956. Forty-two missionaries and 322 nationals were on the staff.

The Foreign Mission Board received $12,733,681 from all sources during 1956. Funds from the Lottie Moon Offering for the year May 1, 1956 to May 1, 1957, amounted to $5,240,745.39. World relief fund was $67,122 and gifts through the Cooperative Program in 1956 were $2,407,709.64.

The challenge of State, Home, and Foreign Missions is before us in the Beulah Association. May we open our hearts and support prayerfully and financially the great program of World Missions.

Respectfully submitted,
Mrs. S. O. Garrett

## REPORT OF THE COMMITTEE ON PLACE AND PREACHER

It gives this committee great pleasure to report that the following churches have invited the Beulah Association to meet with them during 1958. Antioch will be the place of meeting for the Spring Session. The preacher for this meeting will be C. J. Blackmon, the alternate is John Wesley. The first day of the 124th fall session will meet with Berry's Grove on Tuesday, October 21, 1958. Charles O. Jenkins will preach the annual sermon. (a) Resolution to delete certain words in Article 3, Section I and Article 7, Section 14. Reported as favorable and D. C. Craig moved for its adoption. It was seconded by H. L. Hancock and was carried by a 2/3rds majority.

(b) Resolution pertaining to the Trustees being given the authority to borrow money without the matter coming before the Executive Committee or the Association. Mr. Craig made the motion not to accept this proposition; seconded by P. E. Chisenhall and carried by vote of those assembled.

(2) The Moderator recognized J. Wade Fowler, Chairman of the Committee on Committees who presented the recommendations for service on the various committees of the Association. He moved the adoption of these recommendations; seconded by Tom Williams and carried by vote. (See section on committees. Mr. Fowler requested that each pastor send to this committee any names of qualified individuals available for service on committees.

(3) Rev. E. H. Cannady, Chairman of Committee on Place and Preacher, was recognized by the Moderator so that he could give the report of his committee. He offered the following report for the consideration of the Association:

Places for the 125th Annual Session of the Beulah Baptist Association to be:

October 20, 1959 — Clement Baptist Church

October 21, 1959 — Providence (C) Baptist Church

Preachers to be as follows:

October 20, 1959 — J. Wade Fowler, Glen Peters, Alternate

Mr. Fowler moved for the adoption of report, seconded and carried by vote.

(4) There followed a discussion concerning the ways and means of providing for a Music Director for

the newly established Music Department in the Association. Rev. Hassell Lamm made the motion that the Nominating Committee be instructed to bring before the Association the name of such an individual. However, he withdrew the motion when informed that this could not be done without a constitutional change and a constitutional change cannot be made unless presented on the first day of session and voted on the second day. However, no violation in submitting the name of individual to the Association in nomination and voting on that nomination. Rev. Ray Cumbee was nominated for the position. Rev. J. Wade Fowler made the motion that Rev. Mr. Cumbee be elected as the new Music Department Director. It was seconded by Huel Gentry and carried by vote of the Association. Mr. Cumbee, in turn, submitted the names of officers to fill the various positions in the Department of Music. (See Directory). Mr. Cumbee moved that the names submitted be elected and approved by the Association. The motion was seconded and carried by vote.

(5) In the absence of the Chairman of the Nominating Committee, Mr. R. K. Young presented the report of the Nominating Committee. (See Directory). The motion to adopt the report as read was made by Rev. P. E. Chisenhall, seconded by Rev. Tom Williams and carried by vote of the Association.

56. Mr. Huey Gentry led in the singing of the hymn, "I Am Thine O Lord," accompanied by Mrs. Wallace Tingen.

57. The Moderator called upon Rev. Dwight Early for his presentation of the Doctrinal Sermon. He called upon Rev. D. C. Craig to read the Scripture found in Gal. 5:1-13 and then preached on the theme "Freedom." He stated that the touchstone of the people called Baptists is freedom.

58. Benediction and thanksgiving to God was offered by Mr. Early for the fellowship and food.

## LUNCH

60. Mr. Gentry led in the singing of the hymn "Blessed Assurance," accompanied by Mrs. Wallace Tingen.

61. Rev. James Lambert, in the absence of Rev. Milton Warf, led the devotional period, reading Psalm 19 and leading in prayer.

Mr. Berry called attention to certain statistics in the report as well as other pertinent facts involved with the Stewardship of our churches.

65. The Moderator asked Mrs. Paul Kesterson, the chairman of the Appreciations Committee, to present the report of said committee. (See Report Section). Rev. L. G. Elliott moved the adoption of the report, receiving a second from Mr. Huel Gentry and adopted by vote of the Association.

66. The following matters of business were presented:

(1) Rev. Ray Cumbee asked to be recognized for the purpose of presenting the names of the Sunday School Officers for the year 1959. After reading the names he moved that they be elected. The motion was seconded by Rev. Tom Williams and approved by vote of the Association. (See Directory).

(2) The list of officers for the Training Union was read by Rev. Dwight Early who moved for the adoption

of same; seconded by Rev. Tom Williams and carried by vote. (See Directory).

(3) Rev. Tom Williams asked for recognition so that he might present the names of those to serve on Steering Committee for the Simultaneous Crusade of 1959. After reading the names and the office to be filled, he moved that they be elected. Motion was seconded by Rev. H. L. Hancock and carried by vote. (See Directory).

(4) Rev. Ray Cumbee made the announcement that Mr. B. I. Satterfield has in the past been pressured in submitting a bill to the Legislature allowing the City of Roxboro to vote on the question of legalized liquor stores. Mr. Cumbee suggested that as Baptists write Mr. Satterfield and let him know how much we appreciate his withstanding the pressure. Rev. E. H. Cannady was recognized and presented a motion that the Beulah Baptist Association inform Mr. Satterfield of our appreciation. Rev. Tom Williams seconded the motion and the motion was approved by vote. The Moderator then informed the clerk to write to Mr. Satterfield of the Association's expressed appreciation.

(5) Mr. H. D. Young, Chairman of the Finance Committee, reported that Longhurst Baptist Church will double the amount to Associational Missions to be given in the year 1959. He also announced that there were three churches who accepted the Check-O-Matic method of giving to Associational Missions this coming year.

67. The Moderator, Rev. Charles Jenkins, introduced visitors as follows: Dr. W. K. McGee for the Baptist Hospital; Dr. Carlyle Campbell, President of Meredith College; Rev. and Mrs. Waldo Early, father and mother of Rev. Dwight Early; and Mr. E. C. Upchurch of the Baptist State Convention.

68. Rev. Ray Cumbee stated that the name of Mrs. Thomas Long as Secretary of the Sunday School was omitted from the list which had been approved by the Association. He asked that her name be included as Secretary. This was approved.

69. Rev. L. G. Elliott called attention to the fact that there

had been an oversight on his part as he had failed to call for the Report on Public Morals. In the absence of Rev. C. J. Blackmon, the Clerk was asked to present the report. Attention was called to the report in the Booklet on Reports and moved for the adoption of same. It was seconded by Rev. Dwight Early and adopted by vote of the Association.

70. In the absence of Mrs. R. J. Andrews, James Coggin presented the report on Christian Literature. Calling attention to the written report he moved for the adoption of said report. The motion was seconded by Rev. P. E. Chisenhall and adopted by vote of the Association.

In the absence of L. L. Carpenter, Mr. E. C. Upchurch was introduced to speak to the report. He brought greetings from Mr. Carpenter who was ill. He also reported concerning the work of Christian Literature and its need in our communities today.

71. In the absence of Mr. G. C. Duncan, the Clerk was asked to present the Report of the Allied Church League. Attention was called to the written report by Mr. Duncan in the Booklet on Reports and then the Clerk moved the adoption of the report. Rev. Tom Williams seconded the motion and it was adopted by vote.

72. In the absence of Rev. E. L. Epperson, the Clerk presented the Report on the Baptist Hospital. After he called attention to the written report he moved the adoption of said report. Seconded by Rev. Tom Williams and was adopted by vote.

Dr. W. K. McGee was introduced and asked to make some pertinent remarks concerning the Baptist Hospital which he obliged in doing.

73. Mr. Elliott asked to be recognized for the purpose of making a few observations concerning the resolution of appreciation to be sent to Rep. B. I. Satterfield. He stated that if an election came and the vote was in favor of legalized liquor not to blame the people of the Roxboro Baptist Church because a majority of them would be in the center of the fight all the way.

74. By popular request, the Pastors of the Association were called upon to present the special music. Accompanied by Mrs. Wallace Tingen the Pastors of the Association sang the hymn "I Am Resolved."

75. The Moderator, Charles Jenkins, expressed his appre-

ciation for the Program Committee and the way in which all items on the agenda were presented.

76. The Moderator recognized Mr. E. C. Upchurch who spoke concerning Rural Church Development, and requested that the Association think of it from the standpoint of Matthew 16:18.

77. The Vice-Moderator requested the Moderator, Rev. L. G. Elliott, to assume his responsibilities and close this session of the Association as he saw fit. The Moderator called attention to the fact that Mr. J. W. Noell, Moderator Emeritus, was confined to his room and wanted to be remembered. The Moderator instructed the Clerk to do so by letter.

In addition the Clerk was instructed by the Moderator to send greetings from the Association to Rev. Joe B. Currin.

78. The Moderator called on Rev. Waldo Early to pronounce the benediction.

79. The Moderator declared that the 124th Annual Session of the Beulah Baptist Association was now adjourned.

## ASSOCIATIONAL REPORTS FOR 1958

### Report on the North Carolina Baptist Hospital

Our North Carolina Baptist Hospital is one of the services we of the Beulah Association are so thankful for. We, as other Baptists, can feel sure that we have the best of service when we are in need of medical care and hospitalization.

This year once again the Baptist Hospital has made another record in administering to the sick. We, of the Beulah Association have had many to go through the Out Patient Clinic and the Private Clinic. If a person wishes to go through the Baptist Hospital for treatment, it is necessary that an appointment be made in advance. Any person whose earnings do not exceed $300.00 per month is eligible for service through the Out Patient Clinic. The Out Patient Clinic is supported by our Mother's Day Offering from the churches of North Carolina.

In the year 1957 Beulah Association contributed to the Baptist Hospital $2,076.03. This year the Beulah Association contributed to the Baptist Hospital $1,744.93. The Mother's Day Offering has been needed this year as they have never been needed before. The need for assistance has been far beyond the offerings.

Our Baptist Hospital has not been able to give as much help as was needed in many cases. However, was able to help great numbers of our people who they have served and who were in great need.

The need will be even greater this year than ever before in the history of the Baptist Hospital. Let us share in the ministry of the Baptist Hospital by giving generously of our prayers and money.

Respectfully submitted,
E. L. Epperson

## Report on Vacation Bible Schools

Thirty-two of our thirty-three churches had Vacation Bible Schools this year. Seven of the schools ran for ten days, three hours a day. Two churches in our Association had standard Bible Schools; namely, Front Street and Providence (C).

Around three thousand boys and girls were enrolled with an average attendance of about two thousand five hundred. We are especially grateful for the reported ninety-one professions of faith, seventy-four dedications, and thirty-five who joined the church as a result of Vacation Bible Schools in our Association. This shows that our churches are beginning to realize the tremendous evangelistic opportunity in the Vacation Bible School. May we seek to minister to every boy and girl in our 1959 Vacation Bible Schools.

Respectfully submitted,
Charles O. Jenkins

## Stewardship Report

We are commanded, "Bring ye the whole tithe into the storehouse." Jesus speaking of tithing said, "This aught ye to have done." Paul wrote, "Upon the first day of the week let every one of you lay by him in store, as God hath prospered him."

The tithe "Prove Me" program was presented to most churches in the first quarter of 1957-58. Our reports show some gain in the number participating in the Stewardship Program next year, we hope to lead more members to share their possessions as we magnify Christian sharing by enlisting others to tithe, urge continuous and increasing support of the Co-operative Program, and encourage sacrificial love gifts.

The following records are taken from the Associational Minutes for the past year:

| *Numerical Achievements:* | (32 churches reported) |
|---|---|
| Total membership | 7,497 |
| Baptisms | 276 |
| Sunday School Enrollment | 5,886 |
| V. B. S. Enrollment | 2,942 |
| Training Union Enrollment | 1,050 |
| W. M. U. Enrollment | 1,550 |
| Brotherhood Enrollment (with R. A.'s) | 254 |
| Tithers | 970 |
| *Financial Achievements:* | |
| Local Expenditures | $296,045.00 |
| Associational Missions | 3,826.00 |
| Other Missions | 43,402.00 |
| Total Expenditures | $339,435.00 |

Respectfully submitted,
Mrs. D. L. Whitfield

## Report of Allied Church League

*ELECTIONS:* The Drys continue to hold the line on county elections. The Wets continue to gain in town elections. Below is a summary as given in the Executive Director's Report of 1957-1958.

| | *LIQUOR* | *WINE* | *BEER* |
|---|---|---|---|
| DRY COUNTIES | 69 | 52 | 50 |
| WET COUNTIES | 31 | 48 | 50 |
| WET TOWNS | 8 | 16 | 18 |

*LEGISLATION:* The General Assembly did not give us a State-wide referendum despite the fact there were approximately 300,000 signatures on a petition calling for an election in 1958. Your Allied Church League was influential in the defeat of a state-wide gambling bill and helped defeat bills calling for four additional city ABC elections in Dry Counties.

*EDUCATION:* The Methodist and Baptist denominations have been especially active in programs of temperance education. It is hoped that other denominations will encourage the putting on of more aggressive programs in the months ahead. Plans are shaping up for a course on alcohol education instruction to be given at Appalachian State Teachers College for the summer session of 1959. This will be primarily for teachers of alcohol education in the high schools of the state.

Respectfully submitted,
G. C. Duncan

## Report on the Baptist Children's Homes

Our Baptist Children's Homes greatly regret the loss of their leader of fifteen years, Mr. W. C. Reed. We are proud, however, to welcome Dr. W. R. Wagoner, of North Wilkesboro, N. C., who succeeded Mr. Reed. Dr. Wagoner assumed his duties on July 1, 1958. During Mr. Reed's leadership the Children's Homes experienced one of their greatest periods of building, growth and expansion of services. At present we believe that North Carolina Baptists provide more services for dependent children than any similar group in America.

Since October 1, 1957, North Carolina Baptists have directly served a total of 753 children while our social workers have been able to place more than 200 children with homes or agencies where their needs are now being met. During 1957 we were able to admit one fourth of the applicants as compared with one fifth who were admitted in 1956.

Another need is the Indian Orphanage at Pembroke. This Home which cares for 16 children is located in the Burnt Swamp Baptist Association. The Baptist State Convention at its annual meeting last November voted to accept the recommendation of the Board of Trustees of the Baptist Children's Homes and make the Odum Home a part of North Carolina Baptist Child Care Program. Money has been set aside to build a new cottage at Pembroke for these Indian children as soon as we can acquire a clear title to the tract of land.

North Carolina Baptists have two means of supporting the Children's Homes. First is the Once-A-Month offering and the Cooperative Program. Through this plan the Homes received a fixed amount. Secondly is the Thanksgiving Offering of which the entire amount goes to Children's Homes. Last year we asked a 10 percent increase in this offering. The Lord graciously blessed with an increase of 15 percent. This enabled us to support the Indian work at Pembroke and to considerably expand the Foster Home Program. During the coming year plans are to erect a cottage at Mills Home for boys and a cottage at Kennedy Home for girls.

We think that the year of 1957 has been a very progressive year. Why? Because God has opened the eyes of North Carolina Baptists to the needs of these children.

Respectfully submitted,
P. E. Chisenhall

## Report on the Homes for the Aging

The Homes for Aging are now in their eighth year of operation—Resthaven opened March 16, 1951; the Albemarle Home, December 7, 1953; and the Administration Building, Winston-Salem, June 13, 1957. The three Homes have facilities for 119—counting residents and helpers. The average number of residents will exceed 100.

Efforts were launched in June to raise $100,000 to match a gift of Mr. Don G. Matthews, Sr., of $50,000 and land on which to build a fourth Home for the Aging to be located at Hamilton, Martin County. It is expected that the campaign will be successfully completed this year, and the construction of the new Home will then begin. This Home will provide facilities for approximately forty residents, giving a total capacity for all three Homes of 150 persons.

The Homes have had a good year financially. The auditor's report for the year ending September 30, 1957 showed that the income was $268,924.58. When the new Administration was ready for occupancy, $103,000 was borrowed to finish paying for construction and equipment. All of this has been repaid except $20,000. Funds received from the Special Day Offering and the Cooperative Program have helped to meet the current cost of operation. The Homes have also received help from individual and corporation gifts. The largest individual gift for the year was $40,000.

A large number of the residents have been aided financially. Less than ten per cent of the residents have given to the Homes' assets sufficient to pay their cost of keep for life. Thirteen residents have paid the monthly rate, which is less than the actual cost to the Homes. Most of the residents are paying one-third to one-half of their cost of keep. This means, therefore, that the difference in cost is taken from funds received from denominational channels and special gifts by individuals and corporations.

Our program of ministering to the aging presents a great challenge to the 850,000 Baptists of our state. We think, first, of the ever-in-

creasing number of aging friends needing larger dormitory facilities; and secondly, of doubling the capacity of our infirmary in the Administration Building. It now accommodates fifteen patients, but we should have space for at least thirty. It is estimated that elderly people will become invalids at the rate of ten per cent annually. There have been times when we did not have sufficient room for those who needed to be in the infirmary. Our aging friends must look to our Baptist constituency to meet these pressing needs.

Respectfully submitted,
E. H. Cannady

## Brotherhood Report

This year one Brotherhood was added to the Beulah Baptist Association being at Bethel Hill Baptist Church and bringing the total number in the Association to five (5). These are Clement, Ca-vel, Longhurst, Providence (C) and Bethel Hill.

Much work should be done in the Association during the coming year toward forming Brotherhoods as the Brotherhood affords the Pastor a great advantage with the men of the church united behind him.

Your Associational President is ready and waiting to help the cause of the Brotherhoods already formed or to help in any way to form new ones in any church in the Association.

Respectfully submitted,
Harry E. Bray

## Sunday School Report

It is with heartfelt gratitude that we come to make this annual report to the Association.

On behalf of the entire staff of the Associational Sunday School officers, let me pledge your adherence to the ideal that our task is one of service. Our only purpose is to help the churches through proper use of their Sunday Schools to reach the lost for Christ and lead the saved to acknowledge the Lordship of Christ in our daily living.

We respectfully make the following recommendations:

1. That we adopt for this year the theme, "That They Might Have Life."
2. That the Sunday School leadership of each church in our Association be urged to:

   Determine to gain a minimum of 10 per cent in enrollment and 15 per cent in attendance.

   Grow by beginning new classes and departments.

   Follow a planned, weekly, visitation plan.

   Provide a training program which will include a January Bible Study Week, Preparation Week, and Operation Home Study.

   Hold a Vacation Bible School and where possible hold a mission Vacation Bible School.

   Give priority to personal witnessing.

Encourage all Sunday School workers to participate in the regular Associational Sunday School meetings and programs in order that our own work may be strengthened, and that, through cooperation, all churches may carry out their divine commission.

3. That the Associational Sunday School leadership be urged to: Plan and direct a central training school in February, 1959. Provide regular meetings for training and inspiration of the Sunday School workers in the churches.
4. That we adopt the following goals:

| | |
|---|---|
| Training awards | 800 |
| Enlist churches to have January Bible Study Week | 25 |
| Enlist churches to have Preparation Week | 20 |
| Help churches to sponsor new Sunday Schools | 2 |
| Help churches to have Standard Sunday Schools | 4 |
| Have Vacation Bible Schools this year | 34 |

Respectfully submitted,
Paul Kesterson

## American Bible Society Report

Southern Baptist plans for the Baptist Jubilee Advance, 1959-1964, remind us that

In every missionary advance
the Bible goes forward first!

Since the Bible is the one basic source of Knowledge of Jesus Christ, it becomes the missionary's chief tool. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay when he must leave—and keep on speaking to a person's heart. The American Bible Society helps to translate, publish, and distribute the Bible without profit for world-wide mission work. It is an active partner of Southern Baptists and serves every form of Southern Baptist mission work.

In addition to the distribution throughout the world of 15 million volumes of Scriptures and one million volumes to our Armed Forces in 1957, the Society distributed one thousand "finger phono" machines to the Navajo Indians of New Mexico and Arizona. This tiny plastic phonograph, operated by one finger, brings God's Word to people who cannot read. Working jointly, the British and Foreign Bible Society and the American Bible Society are undertaking to provide for India in the next five years a New Testament for every Christian who can read and a Gospel for every non-Christian who can read.

In 1957, Southern Baptists gave $118,815 to the Society—but still stood in second place, exceeded by Methodist's gifts of $136,449. Every church can give something. Please send gifts to your Baptist

State office marked "for the American Bible Society."

Respectfully submitted,
Glenn H. Peters

The above report shows that more money was received for Associational Missions this past year than in former years, but less for the parsonage. There is now a balance of $7,975.86 due on the parsonage.

The program of the association is a challenging one, but unless the funds are available, it cannot be carried out as planned. If each church would only strive to send in the checks monthly, I am sure that our finances would be eased for the coming year considerably.

Respectfully submitted,
Mrs. H. M. Beam

## Report of Finance Committee

It should be of profound interest to each member of the Beulah

Association to know and to keep abreast of our financial condition.

You are aware of the fact that in April, 1956, we purchased a home for our associational missionary at a cost of $11,000. As of September 30, 1958, we had paid on this debt $3,024.14 exclusive of interest paid.

Even though some of our churches did not pay into the associational treasury the amount expected of them during the year ending, the overall picture is that the total amount received by our treasurers from all churches was $826.79 more than was received the previous year. This does not off-set the fact that we ended 1958 $700 in debt.

Next associational year we hope each church treasurer will use the Check-O-Matic plan in remitting payments to Mrs. Beam. This is done by writing twelve checks at once, but dating them one for each month and getting them to her during the month of October.

Our associational program is too large and too comprehensive for us not to carry on as we believe our Lord directs. Let us review our associational achievements during the past eleven years (the years we have had an associational missionary) and look to the future.

Respectfully submitted,
H. Dewey Young

H. D. Young

## Report on Evangelism

To win and to teach is the theme of the Great Commission, and thus becomes the theme of Evangelism. Every Christian's greatest

privilege and responsibility is to let Jesus Christ work in and through us to evangelize the world.

What are we doing in response to God's call? All the churches in the Baptist State Convention last year had a ratio of baptisms of 1 to 25. This record is not what it should be but is an increase of 4% over the preceding year. In the state last year there were 33,796 Baptisms.

In the Beulah Association last year the ratio of Baptisms to membership was 1 to 27. The total baptized in 1957 was 276. This figure tells the story of our indifference in the business of Soul winning.

Next year we face unparalleled opportunity to lead all the people in the churches to engage in the total work of redemption by going all-the-way in cooperation in the continent-wide Simultaneous Evangelistic Crusade. Seven major Baptist Conventions in the U. S. and Canada are cooperating in this crusade. This is the largest movement to Win souls and bring dedication to the world that has ever been undertaken. The participating conventions are composed of 75,000 churches with memberships totaling 19,000,000 members. Here is an opportunity like we have never faced before to get in the stream of God's redeeming purpose. Surely every church in this association will want to be a part of this great effort.

Respectfully submitted,
Thomas C. Williams

## Training Union Report

As Associational Training Union Director I humbly submit the following report covering the Training Union work during the period October 1, 1957, through September 30, 1958.

Training Union "M" Night was held December 2, 1957, at the Roxboro Baptist Church. There were 21 churches represented with 16 pastors and 13 Training Union directors present. The total number present was 199. Brother Harold Bailey, Associate Training Union Director of Virginia brought a very inspiring message "Inherited—A Trust and a Challenge!"

The Elimination Contest was held March 10, 1958, at the Roxboro Baptist Church. It consisted of Sword Drill for the Juniors and Intermediates, speech contest for the Young People and Bible Readers Contest for Adults. Myrtle Chambers won out in our Associational Speech contest and represented our Association in the Regional Elimination contest at Durham.

There were three Training Union Executive Committee meetings during the year. Three Officers and Leadership Conferences were held and four Mass meetings counting the two mentioned above.

Mt. Harmony Training Union went to Rock Grove and gave a Training Union Program. Rock Grove has organized a new Training Union this year.

This year your Training Union Director attended one of the Training Union weeks at Caswell Baptist Assembly. He also attended the North

Carolina Planning Meeting for Associational Training Union Officers on April 7, 1958, at Caswell Assembly.

At the close of this year we report 16 Training Unions with an enrollment of around 1,100.

Respectfully submitted,
D. C. Craig

## Report on Christian Literature — 1958

Baptists work together in a great spiritual democracy. Democracy depends upon an informed, enlightened people. And informed people must be reading people. Having an authoritative leadership to give orders, Baptists find it necessary often to counsel together. This accounts for the various gatherings from our local churches to our Southern Baptist Convention and even throughout the world. However, Baptists are a busy people, too, and can not remain in continuous session, so to keep informed with the progress of our denominational program we have well written literature which informs, trains, and teaches. Much of this literature is provided through our church such as our Sunday School and Training Union Quarterlies, our state papers, THE BIBLICAL RECORDER, and CHARITY and CHILDREN, as well as OPEN WINDOWS and HOME LIFE. Other organizational literature includes our mission magazines—one published for each age group from the Royal Service for our women to TELL for our Sunbeams can be purchased at a reasonable price.

These are our more familiar magazines that come into our home. And little do many of us know that our Pastors and Educational Directors receive helpful pamphlets in their work. Some of these are free and some, too, are purchased at a low cost. A few of these are our visual aid literature, Church recreational pamphlets, and others which help them lead us in our church program.

"We learn by doing" is taught to our young people and surely this is a true statement. However, would it not be wise to teach them that "we learn also by reading?" Let your home be one where Christian Literature prevails so that you may be an informed Baptist.

Respectfully submitted,
Mrs. Robert J. Andrews

## Report on State, Home and Foreign Missions

In speaking of the World Missions' Enterprises, Dr. Baker James Cauthen says, "No statistical table can adequately describe the achievements of the world missions enterprises, human suffering has been relieved, and teaching has been imparted. Many of the glorious victories which have been *won cannot be described in any written report.*"

In my attempt to bring a few highlights on State, Home and Foreign Missions, I use the questionnaire method, borrowed from Dr. Courts Redford, Home Missions Executive Secretary and our own North Carolina Executive Secretary, Dr. M. A. Huggins. "Do and Did You Know?"

## State Missions: Did You Know?

THAT there are over 886,000 Baptist church members in our State?

THAT 40% of that number is being trained in Christian living, giving and serving, while 60% is not dedicated in Christian profession?

THAT our summer assemblies provide a varied program of mission activities?

THAT 7,000 Baptists attended Training Week this year, and over 1,500 leaders in fields of Music and Sunday Schools attended?

THAT over 31,957 registered at Ridgecrest from open-to closing date this year?

THAT Vacation Bible Schools exceeded the goal of 2,500 with gifts to World Missions showing substantial increase?

THAT the Baptist Student Union numbers more than 22,584 is one of the many phases of State Mission work?

THAT 18,000 in non Baptist schools need more attention than they are getting?

THAT the Biblical Recorder has carried some phase of State Mission work each week since June 21, 1958? Did you read these fine reports?

THAT State Missions is the oldest special emphasis among North Carolina Baptists, existing before the Convention was organized in 1830?

THAT State Missions relates only to North Carolina and is therefore a function of the State Convention?

THAT the State Missions goal Sept. 21, was $250,000 and that 603,000 is needed to carry forward the 26 phases.

## Home Missions: Dr. Courts Redford says: "Do You Know?"

THAT Home Missions receives a share of the Cooperative Program Fund, plus the offering by the Woman's Missionary Union for Home Missions in March, plus 25% of the Advance Program of the Southern Baptist Convention?

THAT Home Missions from these sources will receive approximately $4,000,000 this year?

THAT every church supporting these offerings will have a part in providing Missionaries, gifts and loans to erect church buildings, mission programs, evangelism, Conferences and Schools of Missions, News, information through films, Home Missions Magazine, books, tracts and many other needs?

THAT the Home Mission territory is now 153,000,000 and approximately 63,000,000 people in this area have never indicated their personal acceptance of Christ as Saviour?

THAT the Home Mission Board helped to constitute 12,582 churches which is more than one third of all Baptist churches in the S. B. C.?

THAT the Home Mission Board ministers to 39 different nationalities in the homeland?

THAT 425 Chaplains reported approximately 14,000 conversions in 1957 and other missionaries reported 36,464 the same year?

THAT among the 13,000,000 Negroes in the Convention territory, more than 5,000,000 are Baptist?

THAT the missionaries on the field are inadequate and should be increased to at least reach the goal of 1,400 by the close of 1958?

THAT the 300 new missionaries added last year is not enough to carry forward the great program of Home Missions. The task is tremendous, the need is great. If God Calls, You Should Answer.

## Foreign Missions

The Foreign Mission Board has appointed 93 missionaries since January, 1958. Missionaries in active service are 1,364 serving 38 countries. Dr. Cauthen says indications are we will reach the goal of 130 for 1958. The ultimate goal of the churches, schools, hospitals, publishing houses, and good will centers is to evangelize the world. 1,688 Nationals participate in the work of our missionaries. Educational work offers great opportunities for evangelism and trains a strong national leadership. There are 28 theological schools in addition to 836 Baptist Schools.

The Medical Mission Institutions is a great field for soul winning. They served 221,468 patients during the past year. The Foreign Mission work has advanced. This continued advance depends on personnel and finances. This provision must be made through the Cooperative Program and the Lottie Moon Christmas Offering. The Lottie Moon offering totaled $6,121,585 as of May 1, 1958.

Every Christian is a missionary. God has not called every one to go in person, but he has called every one to help send those whom he has called. Won't you heed the call to send? "The fields are white unto harvest but laborers are few."

Respectfully submitted,
Mrs. S. O. Garrett

## Report on Social Welfare and Public Morals

The church is faced with the increasing pressure of secularism and materialism as they push America toward Godlessness. They are seeking to destroy the foundations upon which our American way of life is built. The Sabbath is no longer considered by everyone as a day for worship, rest and quiet. Its holy hush is shattered by the raucous laughter of the pleasure bent crowds, and the sound of the roar of the motor on the race track. Fathers desecrate the Lord's day, and by their example teach their children to do so, and then wonder why they become delinquent.

There is cause for alarm in the increased use of alcoholic beverages and the attendant increase in Alcoholism. Twenty-five per cent, or more, of the fatalities from highway accidents are the result of drinking. We need to support the Allied Church League in its efforts to counteract the propaganda of the liquor industry. Their propaganda is aimed at making more and more counties wet by creating the de-

sire for alcohol in the minds of our people. Our churches need to inaugurate and carry on a vigorous campaign of alcohol education as a part of their program.

The traffic in obscene and pornographic books and literature is growing. This printed poison is revolting to any sense of decency and yet our people feed their minds on this kind of mental diet. Is there any wonder that low morals and sex crimes are on the increase? The Christian Life Commission of the Southern Baptist Convention tells us that traffic in this type of literature has increased at the rate of $100 million dollars per year for the past two years. In 1958 it exceeded the sum of $500 million dollars. These evil forces are eating away, like termites, at the very foundations of human society.

In Psalms 11:3, the psalmist asks the question, "If the foundations be destroyed; what can the righteous do?" What can we do to combat these evil forces? We can stand up and be counted. Christians need to take a definite stand against these evils. We need to make our influence felt and our voices heard in the fight against these evils in our land.

Respectfully submitted,
C. J. Blackmon

## Report on the Cooperative Program

The "Cooperative Program" of the Southern Baptist Convention provides for the financing of the total program of work of the Southern Baptists and gives to each person of the fellowship an opportunity of sharing in the support of everything Baptists are doing. Making an offering through the "Cooperative Program" I share with other Baptists in the support of:

1. 1200 missionaries of the Foreign Mission Board.
2. About 1200 missionaries of the Home Mission Board.
3. Some 100 missionaries working in various parts of North Carolina through State Missions.
4. The purchase of lots for new churches.
5. All parts of the State Mission Program with EIGHTEEN activities.
6. Helping to provide for the education of some 7000 students in our seven Baptist Colleges and, some 6000 students in our six Baptist Seminaries.
7. Our Baptist Hospital at Winston-Salem and the Southern Baptist Hospital at New Orleans.
8. North Carolina Homes at Winston-Salem and Albemarle.
9. North Carolina Baptist Children's Homes, with some 700 children in two homes, Mills and Kennedy.

Special and designated offerings provide for those objects designated to the neglect of others. Certainly every object of service of Baptists deserves the support of every Missionary Baptist.

Each Missionary Baptist Church should provide in its budget for the support of the ministry of the Cooperative Program. In such provision each church determines the ratio of the total receipts that shall

be given to the Cooperative Program. When the local church sends its gift to the State Convention, the convention, through its representatives, determine the ratio that shall be given to the Southern Baptist Convention and that retained for the State Convention.

It is believed by many that the local church should divide its total receipts, excluding building funds, equally between the local work and the Cooperative Program.

It is a splendid feeling to know that by means of my small gift the Cooperative Program enables me to have a part in serving MY LORD over a territory so vast that the sun never sets on it. Alone, I cannot go nor send to the ends of the earth. You and I together can, through the Cooperative Program. Our Saviour and Lord commanded that beginning at home we should go to all places and peoples with the GOSPEL OF JESUS CHRIST, THE POWER OF GOD TO SALVATION OF ALL WHO WILL BELIEVE. They cannot believe until they hear.

Respectfully submitted,
E. H. Cannady

## Report of the Missions Committee

Usually when we think of missions we think of some distant lands, but all need for missions is not across the sea or in some other state. We have mission work here in our own association. There are many places in the Beulah Association where some church should start a Mission Sunday School or a Mission Church. In the early part of this year several members of the mission committee made a visit to many places in our association. We rode over much of the community trying to determine where a Mission Sunday School should be started. After giving it much thought the mission committee decided that the most promising locality was that of the Westwood Park Community. The committee with the help of our Missionary, Mr. Lamm, began to make plans to take a survey. We asked each of the 33 churches in our association to help in making the survey. Many of the churches and pastors responded with a great deal of enthusiasm. The committee is very grateful for their help. However, this survey has not been completed as yet, so we cannot make a full report at this time. Nevertheless, as far as can be determined the prospects look very good. This does not mean that the task is done and that we can go home and fold our hands; there is much to be done yet.

In the thirty thousand movement Dr. C. C. Warren has asked each church to take a look around to see if there is a need for a mission station in its community, and if so, start one.

Your committee is very busy trying to get some missions started. Our Missionary has taken the lead in this movement, and we believe that we have one of the very best Missionaries that can be found, but he nor the Missions Committee can do the task alone. Your prayers and help is needed. The committee is asking every church in the Beulah Association to get behind your mission program with your

help when it is asked for, your money when it is needed and your prayers always. If this is done starting today, we believe that your committee will have some good news to report in the very near future.

We, the committee, are asking that the pastors of the association use Mr. Lamm to supply for them in their absence from their church at least once a year. This will give the people of this association a better opportunity to observe and know our Missionary. It is the feeling of this committee that when the people of this association know more about Mr. Lamm and his work, they will more readily support him and the program which he is so earnestly trying to promote.

Respectfully submitted,
John M. Wesley

## STEWARDSHIP REPORT

It is a blessed privilege that we have to be a part of the financial support of the work of Christ's Kingdom. God, out of the vast abundance of His riches, could have easily financed His great program of redemption. Yet, He left this opportunity and responsibility to His followers, that through the "foolishness" of giving as through the "foolishness of preaching" His work might go forward.

We hope that more church members within our Association will be led to share their possessions in a greater support of the local church, associational missions, cooperative program and in sacrificial love giving during the coming year.

The following records indicate some of our financial achievements during the past year.

| | Last Year | This Year |
|---|---|---|
| Local Expenditures | $296,045.00 | _____ |
| Association Missions | 3,826.00 | _____ |
| Other Missions | 43,402.00 | _____ |

Respectfully submitted,
Calvin Metcalf

## REPORT ON CHRISTIAN LITERATURE

"Give attention to reading." said the Apostle Paul, in writing to Timothy. Are you doing any reading? Many people in our day are fast becoming non-readers. They prefer to get the news from radio and television. This medium also helps to supply their need for entertainment. Reading is rapidly becoming a thing of the past. Never before has there been so much to read as we have today. Much of this flood of reading material is bad, so Christians must choose carefully the things they read.

The flood of obscene, degrading literature has become so heavy on the news-stands and in the mails, that the U. S. Post Office Department is asking the general public for help in breaking it up. Money hungry publishers without christian motives are pouring out obscene printed matter like a stream of poison to capture the minds of all who will stop, look and read. Much of the crimes among our young people have been blamed on reading material of this type. We as Baptist are so blessed with clean, uplifting Christian literature, that we need to have none of this other in our homes.

We must be an informed people if we are to make progress as Baptist. We need to know what our fellow-Baptist are doing. In order to do this we must read. Our Christian Life Commission publishes 27 tracts dealing with practical aspects of the Christian life in our world today. Available from our State Convention and the Southern Baptist Convention are tracts on almost every pertinent issue of our society.

These, plus the regular literature published by our Sunday School Board, supply a vast amount of material the Christian should read.

This report would be incomplete if it failed to mention the vast amount of good reading supplied by our own State Paper — The Biblical Recorder. It is within the reach and means of every Baptist in

North Carolina. Read the right kind of literature — Christian literature.

Respectfully submitted,
Mrs. Dan Dunkel

## REPORT ON THE NORTH CAROLINA BAPTIST HOSPITAL

Our Baptist Hospital seeks to serve our people with a complete program of specialized medical care for all who need it. Our people go in great numbers, with all types of serious illness, from all walks of life, and in all financial circumstances, to receive the ministry of our Baptist medical center. A constant effort is made to keep it personal and Christian in its care of sick people.

Last year Service patients from 95 counties of the State made over 66,000 visits to the 31 clinics of the Out-Patient Department, which is open to families not able to pay the full cost of their medical care. About the same number of office visits was made by Private or full-pay patients. More than 16,000 sick persons were hospitalized for 132,000 days of bed care.

Forty per cent of the hospital service is rendered the patients who go to the Out-Patient Clinics or who enter the hospital through the Out-Patient Department. The services of the physicans are free to all these patients, but the hospital charges must be paid unless other arrangements are made by the family.

Last year the hospital spent well over one million dollars in the care of these Service Patients. The Mother's Day Fund, along with the welfare funds and assistance from other agencies and foundations, enables the hospital to provide more than half of this service free for our very poor people. The Mother's Day Fund alone, however, has not covered the full cost of the care of even the most needy.

There was a decrease in the Mother's Day offering from Beulah Association in 1959, from $1890.43 to $1672.42. The need is great and grows greater each year. Let us lay upon the hearts of our members the urgent necessity of the Mother's Day Fund, if our Baptist Hospital is to provide this important service for our poorer people.

Respectfully submitted,
Mrs. C. J. Blackmon

## CHRISTIAN EDUCATION REPORT

As a group, our seven Baptist Colleges in North Carolina, constitute a program of higher education second only to Texas. Enrolled in these colleges every year are nearly 8,000 students, or more than one-eighth of all college students in North Carolina. Out of total operating budgets of $10,000,000 annually, our Baptist people provide approximately five per cent.

As Baptists we must love and believe in our colleges and the work they are doing. We must encourage our young people to attend these Christian institutions. Of course, we cannot force them to do so; but we can do two things: (1) See that they are given sufficient money to become the kind of colleges that will attract our young people, and (2) join hands with administration and faculty to make these colleges so attractive that they will be selected by our young people.

Respectfully submitted,
Glenn H. Peters

## NORTH CAROLINA BAPTIST HOMES FOR AGING

The ninth year of operation of the Baptist Homes for Aging began March 16, 1959. All three of the Homes — Resthaven, Albemarle, and Headquarters — have had a good year, and have been filled practically all the year to capacity—119, counting resident and helpers. When vacancies occur, there are always more applications on the waiting list than rooms to be filled.

The constructoin of the Infirmary Annex, which will give 28 additional bedrooms and some utility rooms, is getting underway. The contractor, R. K. Stewart & Son, of High Point, has been selected. Order for structual steel has been placd, and the work should progress as rapidly as possible. The estimated cost of the Infirmary Annex is $193,035.

The two most pressing needs of the Homes for Aging now are (1) to finish raising the funds to start construction of the Hamilton Home, and (2) to raise about 150,000 dollars to cover the balance needed to pay for the additional facilities in the infirmary expansion. When these two projects are completed, 60 more bedrooms will be added for anxious and needy residents, thus increasing the total capacity of all the Homes to 170 residents.

A Special Day Offering of $175,000 in February, 1960, will help to meet infirmary cost, and continue to give financial help to residents who need aid.

Would you like to have a generous part in making these plans become a reality at the earliest possible date? If so, please let us hear from you. Why not furnish, or endow, or construct a room with your gift? $600 will furnish, $1000 will endow, and $4000 will construct a room. If you are not able to do as much, send the amount you can give to the N. C. Baptist Homes for Aging, Winston-Salem, North Carolina.

All connected with the N. C. Baptist Homes are most grateful to the churches, individuals, and corporations for the help given to offer our aging friends who live in the Homes a program of security, comfort, congeniality, and a Christian ministry.

Respectfully submitted,
Alfred L. Miller

## REPORT ON BAPTIST CHILDREN'S HOMES

North Carolina Baptists have shown remarkable interest in their Children's Homes during the past year. Numerous church groups have visited the three campuses.

During the past year members of the Children's Homes staff, under the best leadership available, have engaged themselves in a conscinentious study of the entire Child Care program sponsored by North Carolina Baptists. Every effort is being made by the present administration to continue the best care possible for dependent children.

More than 1,000 children were served by the Children's Homes during the past year. Mills Home, Kennedy Home and Odum Home provided care for 547 children while 195 lived in Foster Homes. Through financial assistance of the Mothers Aid Program 40 children were able to live with their mothers. Supervision and financial help were afforded 30 college students. Rsourceful case workers assisted 214

additional children to find homes with relatives and other social service agencies.

Significant recommendations relative to the Children's Homes were adopted by the Baptist State Convention in May following a two and a half-year study by the Committee of Twenty-Five. They are as follows:

1. That the number of children in foster home care be increased to approximate the number in instutional care.
2. That the Children's Homes begin to develop new types of programs to help children who are not being adequately cared for in other ways.
3. That increased attention be given to families throughout the state by well-trained, mature case work consultants to help avoid family breakdowns.

With the increase in population, the development of industry, the growth of cities and the mounting tensions in present day society, there is an increasing demand for services to dependent children. Your Children's Homes are being asked by the Convention to expand their services. With your prayers, loyal and generous support, your leadership will continue to move forward as resources are made available.

Respectfully submitted,
Mrs. Dwight Early

## REPORT ON PUBLIC MORALS

AT EASE IN ZION: Cain was at ease when God asked him about the welfare of his brother, He cried, "Am I my brother's keeper?" To this God answered, "The voice of thy brother's blood crieth out to me from the ground." Are Southern Baptists at ease in Zion? what about others? What's wrong when a Church approves moderate drinking? the voice for blood spilled by drunken drivers on our highways must cry out to God today. The voice of unhappy little children, and broken-hearted mates in homes blighted by alcohol must cry accusingly before God, and against the indifference of Christian citizens to the issues involved in the manufacture, sale and use of alcohol as a beverage. "Righteousness exalteth a nation; but sin is a reproach to any people." Prov. 14:34.

What about the race problem? Is the race problem my problem? The racial situtaion in our country today reminds one of the Oriental puzzle made in the form of an egg. If I am good enough at working puzzles, I might open this egg only to find another one inside, and another, and another, only to come to the last one that cannot be opened, there the end of the puzzle, but not a solutoin to it. To answer

the question on race relations calls for self-examination. Reduced to its final analysis, the racial problem is within me. (1) As a Christian, I must examine myself in the light of God's Word. We, who are Baptists, profess to accept the Bible as our sole guide in matters of faith and practice. Yet, many of us will rationalize its teaching to conform to our traditional attitudes toward people of other races. The Bible reveals to us the very heart of God in His love for all men everywhere. It imposes on every Christian the obligation to work for the spiritual, social, and civic betterment of all the people of all races and of every degree of culture. (Rom. 1:14). (2) I must submit my racial prejudice to a severe examination. The word "prejudice" means to pre-judge; this means to pass judgment before the evidence is in. (3) I must examine the political, economic, and civic pattern of behavior I follow in my relations with other races.

According to F. B. I. reports in September, the number of juvenile arrests increased by 8.1% over last year. These arrests helped to push the national crime rate 9.3% over 1957. Mr. Hoover pointed out in this report that the crime rate in 1957 had been the highest in United States history and steadily increased in 1958-59.

Many towns and cities have installed curfew for our youth and have cut down on juvenile crime in their area. For this to be effective, parents must assume more authority and control of their youth. Laws holding parents responsible for actual juvenile offenders along with a crack-down on teenage gangs before they can stage organized violence should become a nation wide interest.

Although there has been an increase in juvenile delinquency over our nation, there are many places where there has been a decrease due to the organized work of the churches, city groups, parents, schools and enforcement officers. It is not a hopeless case. It only needs increased interest on the part of everyone.

Respectfully submitted,
John Wesley, Chm.

## TRAINING UNION

In the Associational Baptist Training Union Handbook Mr. Harvey T. Gibson list the following objectives of the Associational Training Union:

1. Magnify the New Testament Doctrine of Christian Service.
2. Provide a channel through which the strong churches can help the weak churches.
3. Provide a source of help for weak churches.
4. Provide a denominational organization through which State and Sunday School Board workers can help churches.
5. Bring to all of the churches the best in materials, methods, and techniques.
6. Promote the evangelistic, educational, and mission programs of

the Association.

Your Associational Training Union has endeavored to meet these objectives during the past year (through the following listed activities).

1. Four meetings of the Executive Committee of the Associational Training Union.

2. The annual "M" Night program held at The Roxboro Church on November 24th, and projecting the T. U. work for the Calendar Year 1959, Dr. John T. Wayland brought a fine inspirational message based on the 1959 T. U. Theme, "Thou art the Christ." Present for this meeting were 180 people, representing 20 churches, including 15 pastors and 13 of our 15 T. U. Directors.

3. A Central Leadership School at Ca-Vel Church, March 2-5 in which Leadership Classes for all age groups were taught by State approved and paid workers. During this week 145 persons attended at least once and the average attendance for the school was 103. Thirteen of the thirty-three churches in our association were represented during the week, with eleven of the pastors in the association attending at least one session each.

4. Two Officers' and Leaders' Conferences; the first at Providence (P) on November 18, with 34 persons representing 10 churches present, and the second at Front Street on May 25, with 39 persons representing 10 churches in attendance.

5. Two mass meetings other than "M" Night: one at Montwood on June 16, with 53 persons from 8 different churches attending and the other at Theresa with an attendance of 53 representing 11 churches.

It is revealing to note that for the four meetings last mentioned, no more than 13 of the 33 churches of the association were represented even once. Five churchs which reported T. U. at the beginning of the year were not represented at any of them.

This coming year our Associational Training Union program will continue to try to meet the objectives listed earlier in this report under the able and consecrated leadership of Mr. Alvin Dickerson. Surely, all of us, pastors, T. U. Directors, and church members will cooperate with him in order that through the Training Unions in our local churches we may be effectively "Training in Church Membership."

Respectfully submitted,

Dwight Early

## REPORT ON EVANGELISM

In todays World we are vitally concerned about keeping up with other countries of the World in the missiles race, yet at the same time we are loosing the race to keep the Great Commission in focus with the rapid increase of the population of the World. Christ's commandment to Win and Teach should be every Christian's marching order to conquest. Evangelism is the heart of our work. "Win" is the first imperative, then comes the teaching. The people of the communuity

and the world have to be brought into a relationship with the Word of God, and no one can do it but YOU.

In every Church or Associational program Soul winning must be in the forefront of its total program. Any Church or individual who changes this order is disobedient to Christ, and cannot expect His empowering, and blessings upon the efforts put forth.

In the years 1959-60 in the Jubilee Advance; Baptist of North America are making efforts to Evangelize. In 1959 much progress was made in this field. In North Carolina every Association except one participated in the Simultaneous Crusade. In figures there were 15,000 Baptisms, 20,000 total additions, and more than 2000 young people offered their lives for full time Christian service.

In the Beulah Association reports on the 1959 Crusade reveal the following: 20 churches reported participating, one participated but no report was received. There were 99 baptisms, 35 received by letter 1157 rededications, and 3 for full time Christian service.

The ratio of Baptisms to church membership is 1:22 for Southern Baptist, and 1:25 for N. C. Baptist. Our Association's ratio for 1957 was 1:27 and in 1958 was 1:29. We hope this year that the figures improve. The goal set for Baptist is 1:8. This constitutes our greatest challenge. Only as Soul winning becomes vital to us can we hope to reach this goal. In an effort to reach this goal may we adopt the following goals.

1. To conduct an annual clinic devoting two sessions exclusively to evangelism striving to have at least 75% of the Churches and Pastors participating.

2. To conduct an annual Simultaneous Revival Crusade with at least 85% of the Churches participating.

3. To endeavor to have at least 75% of the Churches using the Church Council and sustaining perennial programs of evangelism with soul-winning in the forefront of the total program of the local Church.

Respectfully submitted,
Thomas C. Williams, Chm.

It is with a sense of pleasure and pride that I give this report of YOUR contributions during the past year. It is the best financial report that I have given since becoming your treasurer, nine years ago. So many of you have doubled your gifts to this mission program this past year, others have added to their amounts and all the churches in the Association but one, contributed. It is indeed an outstanding report and one that we are all justly proud and deeply thankful. The balance due on the Associational Parsonage as of October 1, 1959 is $7,452.43.

Let's have as our goal next year, every church contributing monthly to this work so dear to our hearts. As Mr. Young would say, why not do it check-o-matically? Five contributed it that way last year and feel that they found it satisfactory.

Seasons of Prayer were observed for Foreign Missions, Home Missions, and State Missions and worthy offerings were given.

Mission books have been read and taught in W. M. S. and Young Peoples organizations, and much time spent in prayer in behalf of missionaries and their work.

Through Community Missions many deeds of love and mercy have been done in Christ's Name.

A number of young people in our Association went to Ridgecrest in the summer. They became interested in giving their talents to the Lord and some have volunteered for definite mission work.

Mrs. J. J. Woody, Vice-Pres.

## MISSIONS COMMITTEE REPORT

The Associational Mission Committee under, the new Chairman elected at the January Executive Committee Meeting, met on three different occassions to discuss the work of the Missionary, the possibility of new missions, the budget for the new year and recommendation concerning changes in the constitution. It has also come to the attention of this cmmittee a request from the Welcome Baptist Church which is located within the jurisdiction of The Beulah Association, to

unite with said Association. Your committee is in the process of investigating the credentials of this church and will make recommendations to the Executive Committee of the Association.

The main task of the Missions Committee this year was the directive of the Executive Committee meeting in January of this year: namely, to ascertain the duties and responsibilities of the Associational Missionary and to disseminate knowledge of said duties and responsibilities throughout the Association. Therefore, it is the concensus of the Missions Committee and the Executive Committee of the Association that these duties and responsibilities be incorporated into the report of the Chairman of the Missions Committee and thus be inserted into the Book of Reports and the 1960-61 Minutes of the Association.

The following is a digest of the work, duties and responsibilities of the Assocational Missionary:

> "The Associational Missionary shall have the same relationship to the organizations of the Association as a pastor has to the organizations of the church, and shall work with all the churches upon their invitation as he has the time available, or work with any committee of the Association upon such Committee's invitation. He shall assist in promoting the whole program of the Association, the Baptist State Convention and the Southern Baptist Convention. He shall seek to serve all recognized needs of the Association, under the supervision of the Missions Committee.

To be more specific and to spell out the individual duties and responsibilities of the Associational Missionary, the following is that which was adopted by the Missions Commitee and the Excutive Committtee in 1956:

1. The Missionary shall work with the Associational Officers, Organizations, and Committees in formulating, in promoting, and in the administration of a progressive program of work for the Association.

   A. He should have the same relation to these officers, organizations and committees that the pastor has to the officers, organizations and committees in his own church.

   B. He shall be an ex-officio officer or member of these organizations and committees and shall attend their meetings.

   C. He shall be provided a report of the work of these officers, organizations, and committees and shall use this information in correlating and in coordinating the whole associational program

   D. He should constantly seek to get the educational organizations to build the total associational program and at the same time magnify the purpose of each associational educational agency.

II. The Missionary shall work with the churches at their invitation and as his time affords. Here are some suggestions to the churches of ways they may use the Missionary:

   A. Preaching: supply and revival.

   B. Teaching: Teaching study courses for the Sunday School, Training Union, W. M. U., Brotherhood, Etc.

   C. Counseling with individuals or groups about any phase of Church work or individual problem or need.

D. Help in starting new organizations and strengthening old ones.

E. Help in building a budget for the church.

F. Help in taking surveys and conducting enlargement campaigns.

G. Secure speakers for churches for any occasion

III. He should lead in starting new churches and missions and help in reviving old churches.

A. He is to work under the supervision of the Associational Missions Committee in any Associational Missions project sponsored by the Association.

B. The missionary is also to work with the local churches at their invitation in this area of work.

IV. The Missionary shall promote the whole program of the Association, the State Convention, and the Southern Baptist Convention.

He shall do this:

A. Through the associational bulletin.

B. Through personal appointments.

C. Through speaking in the churches and in committee meetings.

V. The Missionary shall have administrative supervisions of such work as may be assigned to him by the association. This includes such things as:

A. Schools of Missions.

B. Associational-wide Deacons Schools.

C. Enlargement Campaigns.

It is the sincere desire of the Missions Committee that the people of this Association be made reocgnizant of the above stated duties and responsibilities of the Associational Missionary. It is further hoped that by the insertion of this report into the Minutes of the Association for 1960-61 that clarification of the work of the Missionary will be enhanced.

## REPORT ON CHRISTIAN EDUCATIION

Christian Education is at the heart of all true education. Our Baptist Colleges and seminaries seek to install in their student a love for Christian ideals and a repect for Christian character. Our Christian institutions operate on the assumption that everything should have Christian motivation in a center of Christian education. Let's hear a brief word from each of our Baptist colleges and seminary.

Campbell College, at Buies Creek, was founded in 1887. It is a four year Junior College, and admits a small number for high school students who have earned a minumum of eight units. In 1959, the Baptist State Convention recommended to the trustees the transition of the college from Junior to Senior college status.

Chowan College is increasing its enrolment year by year. Last

year 460 enrolled at Chowan. The enrolment has grown to the place where dormitory space is very limited making it necessary for many students to commute and live in town.

Gardner-Webb, at Boiling Springs, begins its fifty fourth year this year. The college enroll 550-600 men and women each year. High standards of Christian conduct and character are maintained at the college. Academic excellence is a strong factor in its life but there are many opportunities for social, cultural, and recreational life as well.

Mars Hill begins her 104th session this year. It is a larger Junior college but expects to be a Senior college within the next few years. The college is in a beautiful setting conductive to its aims of the development of character through knowledge and training that gives emphasis to spiritual values.

Meredith, at Raleigh, is our womens college in N. C. It was founded in 1899 and is now in an eight year expansion program. A large percentage of Meredith girls prepare to teach in public schools.

Wingate, 30 miles East of Charlotte, majors on Christianity, character, and culture. The campus of 50 acres gives plenty of space for the fifteen buildings belonging to the college.

Wake Forest has a century and a quarter of service behind it. Our Senior college at Winston-Salem is said to have one of the most beautiful campuses found anywhere. Preparation can be made for the professions of teaching, ministry, law, medicine and business administration.

Southeastern Seminary at Wake Forest, will celebrate her tenth year of existence this year. The seminary is dedicated to the training of young men for the ministry and women as well in the fields of education and music.

## SUNDAY SCHOOL REPORT

32 Churches with a total membership of 7700, and 32 Sunday Schools with an enrollment of 6500 and an average attendance of 3500 is a fairly accurate unofficial "number picture" of our Association. The picture is not as good as it should be. This report cannot state what the enrollment should be, but it can state that with the present enrollment the average attendance should be from 4500 to 5000.

The picture of our Associational meetings is one of wonder and amazement plus a heavy shade of shame. This report notes the report of last year in part: "We pledge our prayerful support to him (newly chosen superintendent) and his Lord in the work of this new year." And now I wonder "where the pledges went when the pledgers from the Annual meeting to their churches were sent." Less than one-half of our pastors, less than one-third of our superintendents, and less than one-fourth of our teachers attend the General Meetings. We can do better. The participation of all is needed for effective work. Goals comparable to those of last year were established at our Planning Meeting on September 8. These goals will be presented at our next General Meeting on November 10, at the Lamberth Memorial Church.

22 of our 32 churches have reported a Vacation Bible School. The reports show a total enrollment of 2205, an average attendance of 1957, a mission offering of $364.58, professions of faith 58, and dedications

123. Four schools ran the full 10 days and 18 completed 3 hours of each day. The Providence (C) school for the fourth consecutive year was Standard.

## REPORT ON CHRISTIAN LITERATURE

That Christian literature is important is evidenced by the following quotation. "If religious literature is not widely circulated among the masses in his country, I do not know what is to become of us as a nation. If the truth be not diffused, error will be; if God and His Word are not received, the devil and his works will gain the ascendancy; if the evangelical volume does not reach every hamlet, the pages of a corrupt and licentious literature will; if the power of the Gospel is not felt through the length and breadth of our land, anarchy and misrule, degradation and misery, darkness and corruption will reign."

Would it be wise to ask what kind of reading is being done in Baptist church families? They are reading something—the daily paper, junk mail, magazines, political propaganda, and—we hope—religious literature. Our churches provide the highest type of religious literature to be found anywhere, in the publications that come from our various Boards and Commissions. The Sunday School materials are unsurpassed. Every age group is provided readable literature.

Another excellent source of informative, up-to-date discussion of current issue given from a Christian viewpoint is the **Biblical Recorder.**

Every home needs to receive this paper. It has been rated among the top three of the 27 state papers in the Southern Baptist Convention. Are the families of your church worth 3c per week? This is what it costs to send the Recorder through the church budget plan to your church families. It is a wise investment.

Make no mistake about it, the printed page is going to win the battle for men's minds and hearts. The great movements of this world depend heavily on printer's ink to get their messages across. Baptists can do no less if we are to stay in this battle to win the loyalties of men and women, boys and girls.

Provide Christian literature for your church families. Encourage them to read something uplifting and good every day.

Respectfully submitted,
Mrs. Dan J. Dunkel

## REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

The Ministry of our Baptist Hospital touches every area of our state. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. They came for examinations, medical treatment, skilled surgery, and spirituai guidance. Many of our homes, most of our churches, and almost all of our communities have been served by this ministry of healing. It touches the family life of about a quarter of a million of our people each year.

Sickness is no respector of persons or pocket books. It strikes the rich and poor alike— the widow, the orphan, the aged. There are times

when they need such specialized care as that available at our Baptist Hospital. The Mother's Day Fund provides money with which our Hospital gives assistance to those who cannot pay the full cost of their care. Our Hospital almost doubles our gifts with matching funds from walfare agencies and other gifts. In addition to this, the medical staff gives its services without charge to all service patients, except for available insurance payments.

Probably we should ask ourselves if we as Christians should provide such a ministry for our needy, sick neighbors. Jesus and the New Testament writers give us the answer. But do we really want such a ministry? It cannot be provided except at great cost. Our Hospital receives about 3¾% of our Co-Operative Program funds for payments on the buildings, purchase of expensive equipment, such as heart-lung machines, and for the Department of Pastoral Care. Our Mother's Day Fund provides the money to help pay the hospital bills of needy, sick persons. The amount of this fund determines for the most part the amount of help our Hospital can give.

If we are serious about this ministry which was so close to the heart of our Lord, and want our Hospital to give help when our people need it, we are going to have to become serious about our giving to the Mother's Day Fund. Our Hospital is facing a grave financial problem, and if it is to give free service we are going to have to contribute the money to finance the program.

The only way we can support this work is to plan for it, to make somebody in each church responsible for it, to let our people know about the need, and to challenge them to give of their means. Some of our churches over the state have been doing this, and our people have demonstrated that when this is done they will provide the necessary support. We come to ask you to do it in your church—not for the hospital, but for people who are in need.

Respectfully submitted,

A. F. Yarbrough

## REPORT OF THE ASSOCIATIONAL MISSIONARY

I Objectives of the Associational Missionary.

As your Associational Missionary, I have had four major objectives in mind as I have endeavored to serve during the past year.

1. I have tried to strengthen the Associational Missions program by the following means:
   (1) By working with the Associational Officers, Committees and Organizations.
   (2) By promoting the associational program.
   (3) By seeking to provide information, inspiration and a challenge for the leadership of the association.
2. I have tried to strengthen the local churches by:
   (1) Providing opportunities for training, inspiration and fellowship.
   (2) Working in the churches upon their invitation.
   (3) Giving to them information that will broaden their vision and be a challenge to their hearts.
3. Have endeavored to promote the whole denominational

program.

(1) Attended many denominational meetings to keep informed.

(2) Have tried to lead the churches to support and promote the whole denominational program.

4. Have endeavored to lead the association and the churches of the association to adopt, support and promote a "World Missions Program" by:

(1) Helping to make the churches more evangelistic, winning the lost in the local community.

(2) By encouraging the churches to support associational missions.

(3) By trying to get the churches to support our denominational program through the CO-OPERATIVE PROGRAM.

II. Activities of the Associational Missionary.

I have engaged in varied and numerous activities during the past year. Listed below are some of the things I have done:

1. I have held conferences with leaders in the local churches, Association, State and Southern Baptist Convention.

2. In the local churches I have preached, taught Sunday School Classes, taught Study Courses, conducted Prayer Meetings, spoke to the various organizational groups, and have attended services in all of the 33 churches, etc.

3. On the associational level, I have worked with the associational leaders, attended the associational meetings, promoted the whole associational program, directed the schools of missions and R. A. and G. A. camp at Park Springs, Memographed the "Beulah Baptist News" and wrote numerous cards and letters.

4. In addition to the things mentioned above, I have spent much time in studying the history, the program and the need of the association. After much study, reflection and prayer, here are some of the needs of the Asociation and the churches, as your missionary see them.

III. Some needs of our churches and association.

A. Needs of the local churches.

1. A more effective and comprehensive evangelistic program that will enlist, train and develop soul-winners, and provide opportunities for evangelistic work.

2. An educational program that will be more efficient in teaching and training the membership of the church in the areas of Worship, Stewardship, Missions and Service.

3. Some of the churches are in desperate need of new buildings or more space, equipment, supplies, etc.

4. But, perhaps, the greatest need of our churches is in the spiritual realm.

(1) There is a great need for a consecrated and dedicated

leadership.

(2) For a Christ-Centered-Program.

(3) For a greater reliance upon the Holy Spirit for leadership, guidance and strength.

B. Needs of the Association.

1. More consecrated and dedicated leaders who will have time to do associational work.

## NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God's gift to the Homes for the Aging during the past nine years has been James M. Hayes, Sr. No man could have worked harder, or accomplished more, than this dedicated man of God. On July 1, he relinquished the heavy and challenging responsibilities of the office of general superintendent to his successor, William A. Poole.

The new superintendent is diligently at work and is finding a solid foundation on which to build and expand our ministry to the aging in our midst.

Great blessings are in store for us in this tenth year of our Homes for the Aging. The new Infirmary Annex, will be in use by September 1. This annex gives us another 28 rooms at a cost of $193,000.00

At present there are sixty applicants on the waiting list, and new inquiries coming in daily. We now have a total of 106 residents in our three Homes — Resthaven, 20; Albermarle, 34; Headquarters, 52. The need is ever gowing, please pray for our expansion program. We are increasingly dependent upon the prayers and financial support of the churches. During the fiscal year, October 1, 1959, to August 1, 1960, we have received $82,521.20 from the churches.

There are constantly mixed emotions in the Homes. We rejoiced with Aunt Fannie Drumwright on her 99th birthday in July, and were saddened by the death of Miss Lillie Herring in October 1959, Mrs. Mary Holder in April, Mr. T. J. Castevens in June, and Mrs. Annie Smith in July.

Let it be known throughout the bounds of our fair State that there is nothing to hinder any needy aging person in our midst from coming to the North Carolina Baptist Homes for the Aging except lack of space. Let us, therefore dedicate ourselves to the end of making more space available at the earliest possible moment.

Respectfully submitted,
Clarence H. Bishop

## REPORT ON ORPHANAGES (CHILDREN'S HOMES)

The Baptist Children's Homes of North Carolina, Incorporated, is a multiple service agency providing Christian love and nurture for more than 800 boys and girls annually.

The three homes are: Mills Home at Thomasville with 311 children, Kennedy Home at Kinston with 165, and Odum Home at Pembroke with 24. There are 160 children in Foster Homes and 40 others who are assisted by Mother's Aid.

Children attend public school and participate in all school activities. Opportunities for Christian commitment and spiritual growth are afforded on the campuses, in the cottages, and through the Churches.

The Social Service Department of the Children's Homes affords case work services throughout the state. Individuals, families, pastors and Churches are entitled to this help upon request. When applications for admission are received, well trained case workers make a thorough study of each situation to determine the need and the best possible plan of care for the child.

The Baptist Child Care Program is supported through the Cooperative Program 31.5%, Thanksgiving Offerings 31.1%, Once-A-Month Offerings 21.9%, Special Gifts and Endowments 15.5%. Income for the past three years has not been sufficient to meet minimum needs. Many children have been denied a Christian home whom we should have served. An increased Thanksgiving Offering is imperative this year.

North Carolina Baptists have been caring for homeless and dependent children for 75 years. Appropriate observance of the 75th Anniversary will be made in November.

John E. Roberts became Editor of CHARITY AND CHILDREN, June 1, 1960. We invision, under his editorship, this paper making an increasing contribution to the total life of our Baptist people.

North Carolina Baptists will continue to love and serve dependent children. No other object is so worthy of service and sacrifice. Many areas of unmet need confront us each day. Your continued interest and increasing support will help us meet them.

Respectfully submitted,
Mrs. Dwight Early

## REPORT ON EVANGELISM

There never was a time when the Gospel of Jesus Christ was not urgent, but many Christians have been slow to sense it. If circumstances can shock us out of complacency, then every Christian should be alerted today to the urgency of evangelism in this Atomic Age.

Southern Baptists have been blessed by God as few people have been blessed in all Christian History. However, along with these blessing there are inescapable responsibiltes. We are Christians and we must share with those who sit in darkness. In his message before the Southern Baptist Convention meeting in Miami Beach, Florida, Billy Graham said, "America is the world's greatest mission field." If this be true, and no doubt it is, and if Southern Baptists are the leading Evangelical denomination in America, we must match this hour with total dedication to evangelism.

Wherefore, we recommend:

1. That we strive to reach the "Evangelism Standard of Excellence"

or our association annually.

2. That our association have an evangelistic clinic on_____ (date) (two to six months before the Baptist Jubliee Revival).

3. That our association participate in the Baptist Jubliee Revival, and that we set annual Baptist Jubilee Revival dates through 1964. (A map showing the dates for 1964 in North Carolina has been mailed to all pastors).

4. That our association shall recognize the associational officers to serve as the Baptist Jubilee Revival Committee.

5. That every church utilize the church council in promoting a perennial program of evangelism within the local church.

6. That every church co-operate with the Baptist Jubilee Revival and that consideration be given to having at least one other revival during 1961, with emphasis in both revivals being placed upon every member doing soul-winning.

7. That each church follow the Revival Plan Book, thus pray, plan and work to reach the maximum number of lost souls during the Baptist Jubilee Revival and to experience a new depth of spiritual life.

8. That every church co-operate fully with the Training Union in promoting the spiritual growth program, so as to help anchor and mature every member coming into fellowship of the church.

Respectfully submitted,
Calvin Metcalf, Chairman

## REPORT ON PUBLIC MORALS

There is nothing of news in the statement that we are living in times of tremendous stress and strain. Nationally and internationally we are divided into opposing camps of democracy, communism and catholicism. Within our country there are other marks of division. Economically we are divided into the ranks of capital and labor. Lines of race, religion, political affilation, and all of these division further segregate, and intensify the already complex problems of human relation.

The Cost of alcohol: Since the repeal in 1933, according to the U. S. Department of Commerce, the total expenditure for so called legal alcoholic beverages total $110,000,000,000. The cost for one problem drinkers who request treatment at North Carolina alcoholic rehabilitation center at Butner, N. C., is $75.00 for 28 days of treatment. The latest estimate of the number of alcoholic and problem drinkers in the United States puts the total number between 6,500,000 - 7,000,000.

Alcoholism is the cause of more than a billion man-hours of lost production in our vital industrial program according to Dr. E. H. Carleton, Medical Director of Inland Steel Company.

There has been much public concern about the increase in illegitimate births. The total number of illegitimate live births in 1957 was two and one-half times larger than 1940. This means of every one hundred babies, one more is born to unwed parents. Whether we look at the large numerical increase, or only at the one additional baby, any increase in the number of children who enter the world under this handicap is cause for concern.

The rate has risen faster and higher for non-white than for white births out of wedlock. Women less than (19) are bearing one illegitimate child for every six born in wedlock. Unmarried people are usually less well educated and less emotionally and financially secure than others. To sum it all up; there are more children, more families, more young marriages, more divorces, more separations, more children born out of wedlock, more desertion, and lower income in families headed by a woman.

Is it any wonder that many families show signs of strain, One more pressure may be the crucial one for many families already on the verge of breakdown, or for the mother who is trying to keep a broken family together.

Respectfully submitted,
John M. Wesley, Chairman
Woody Rogers

## STEWARDSHIP REPORT

The only stewardship report possible to make here is in terms of momentary gifts. We do well to remember the total stewardship of life, but here is presented something of our intention and belief concerning the total proclaiming of God's Kingdom to all the world.

More Christians are becoming aware of the stewardship of possessions. One church has already utilized the Forward Program of Church Finance with overwhelming triumph and success. Another church has voted to use the same method of enlistment and is now in the process of enlisting every resident church member in the total program of the church.

The figures represented below will indicate some need for our churches to enlist the members in the total work of the Kingdom.

## TRAINING UNION REPORT

One of the greatest needs of our churches is dedicated and trained leadership. When the "leadership problem" of our churches is solved, then many of the other problems will also disappear. The Training Union is the best means Baptist Churches have for training their members.

The Associational T. U. Department has endeavored to help the local churches to perform this task of training their members during the past year through the following activities: (1) 3 meetings of the Executive Committee, (2) "M" night held at Longhurst, with Rev. Hugh Ross William, speaker, and 156 present; representing 17 churches, (3) 3 Officers and leaders conferences and planning meeting. There are 16 Unions, 3 less than last year. One new union, Calvary was organized.

I would like to take this opportunity to encourage all pastors, directors, and Training Union members to give their full cooperation and support to the New Director and his Associates. Hold them up in your prayers, be faithful in attending the meetings, and serve when asked.

Respectfully submitted,
Alvin Dickerson
